Dear Parents/Guardians:

I wanted to notify you of an incident today during the sixth-grade lunch period. A staff member in the cafeteria became ill with chest pains and an ambulance was called.

The building was placed on administrative lockdown and students were secured in classrooms while the paramedics assisted the staff member and carried the individual to an ambulance. Students in lunch at the time were moved to adjoining classrooms.

Please feel free to call the Middle School with any questions or concerns you may have.

Sincerely,

Craig Shull
Assistant Principal
