School Counselors Make a
World of Difference

**Scotia-Glenville
Middle School
Guidance
Department**

*Helping students to
realize their full
potential and preparing
them for life in an ever
changing world.*

Guidance Services

The Middle School

Counseling

Department is

focused on

improving school

climate and increasing academic

performance.

Each student in the middle school has

a guidance counselor who serves as a

student advocate

to promote and

enhance student

success.

For Students:

You may see your counselor to assist with a variety of concerns and problems, including:

- Academic planning.
- Overcoming obstacles and issues related to your classes, peers, and/or family.
- Planning for your future.
- Supportive counseling.

For Parents:

Parents are free to contact the guidance office at any time for a meeting if you have academic, social, or personal concerns about your child.

The guidance office will help to arrange parent-teacher conferences, guidance services, as well as outside referrals for intervention.

How to see a Counselor:

Students can see the counselor in any of the following ways:

- Self-referral.
- Request of the counselor.
- Parent referral.
- Administrative referral.
- Teacher or staff referral.
- Referral by friend(s).
