

2022-2023 High School Code of Conduct Changes/Additions

Dress Code

A student's dress, grooming and appearance, including hair, jewelry, make-up and nails shall:

- 1.
2. Not include extremely brief, revealing or see-through garments or garments that expose undergarments and/or midriffs, including rompers, spaghetti straps, halter tops, off the shoulder tops, etc.
- 3.
4. Not include the wearing of hats/headgear/hoods or other head coverings including headbands & bandannas inside the school during the school day except for a medical or religious purpose, or for approved activities.

Revised:

2. Not include extremely brief or see-through garments or garments that expose undergarments; one shoulder/off the shoulder tops, midriff must be at belly button, shorts below apex of thigh.

Ensure that undergarments/underwear are covered by outer clothing (visible waistbands and straps are not violations)

4. Not include the wearing of hoods or other items which obscure the ears inside the school during the school day except for a medical or religious purpose, or for approved activities. Hats or head coverings that do not obscure the ears are acceptable. (This is a safety and educational issue: obscuring attention and awareness). Only one ear bud allowed in during hallway transitions. No ear buds permitted in classrooms unless teacher permission granted.

Clothing of the nature mentioned above will be brought to the attention of the student and/or principal by the teacher and a solution to the problem will be reached.

- Student may change or cover clothes.
- Students may be sent home to change with permission from a parent or guardian.
- Parent/guardian may be notified.

If the problem persists, parents/guardians will be contacted. **Members of the Student Senate assume a leadership role in maintaining the intent of this Statement of Dress and, as such, may discuss guidelines with the principal on a yearly basis. If necessary, and agreement will be developed and announced to the student body at the beginning of the school year. Interpretation of the dress code will be at the discretion of the building administration.**

New additions

Restroom Etiquette

We trust that all students will utilize the restroom in a timely manner. Restrooms are not to be used as common areas for loitering. Students may not bring food into or dispose of food in any of the restrooms within the building. Students found not discarding food properly (e.g. in restrooms, in a manner which causes significant mess, etc.) will be subject to disciplinary actions at the discretion of the building administration.

Restroom stalls are for single person use only. Multiple occupants in a single stall will result in consequences for all students occupying the same stall.

Cafeterias

Third party food vendors and delivery services of food to students are not allowed at the high school.

Vandalism

Any vandalism of restrooms including plumbing fixtures, dispensers, or other infrastructure, as well as flushing inappropriate objects will result in disciplinary action.
