

Dear Parent or Guardian:

Scotia-Glenville School District has partnered with Tangible Development to help guide and facilitate our journey to a more intentionally diverse and inclusive organization for all those we employ and serve. As always, students are at the heart of our mission.

To that end, Tangible Development has been conducting focus groups with all the stakeholders in our school community and in November will begin conducting optional sessions for middle and high school students, in grades 7-12. There will be a Scotia-Glenville staff member in each group and all information shared will remain confidential.

These focus groups will offer students a chance to speak with other students and a facilitator about their thoughts, feelings and experiences at Scotia-Glenville. We hope to hear from as many students as possible so that we can intentionally support a learning community that is welcoming and equitable for all.

Thank you in advance for supporting this important and valuable work.

Please complete the permission slip below and have your child return it to the school's main office, by Friday, October 21.

---

**FOCUS GROUP PERMISSION FORM FOR PARENTS/GUARDIANS**

My child, \_\_\_\_\_  
(please print your child's name clearly)

- May participate in the focus group
- May NOT participate in the focus group
