Susan Swartz  
Superintendent  
Scotia Glenville School District

Dear Susan,

I am writing to inform you that I am resigning my position as PPS Teaching Assistant effective January 13, 2023. I am resigning my position because I have been offered a full-time teaching position. Thank you for the opportunity you all gave me. It has been an honor to work with everyone here in Scotia. The last four and a half years working with such an amazing team of teachers helped reignite my passion for teaching and encouraged me to continue to pursue my certification, bringing me to this current opportunity. For that I will forever be grateful, and always a Tartan at heart.

Sincerely,

Leah Lapczenski
