Dear Susan,

I would like to inform you that effective June 30, 2023 it is my intent to retire from my position as High School Social Worker at Scotia- Glenville High School after my continuous service to this district since September of 1994.

I am currently covered by my husband's health insurance plan and do not have a need to have retirement health insurance provided by the school district.

I have had a rewarding career here and will leave knowing that I was able to make a difference in the lives of students and families in this community.

Sincerely,

A handwritten signature in black ink that reads "Kathleen M. Gonnely, LMSW". The signature is written in a cursive style with a loop at the end of the last name.

Kathleen Gonnely, LMSW
