

January 11, 2023

Hello Scotia-Glenville School District,

It is with great sadness that I must resign from my position as the Support Room TA at Glen-Worden. I have enjoyed my 9 years at this school and 15 years as a parent in the district. So many staff have been so amazing throughout my stay here especially while myself and my husband went through cancer and the death of my husband. I cannot thank you enough and will miss everyone so dearly. I must move on as I have 3 children to support. Thank you so much. My last day will be January 26th 2023 at the end of business.

Samantha Haldeman.
