

Employee Assistance Program

Estate Planning Benefits

35%

of Americans have experienced a family conflict as the result of not having an estate plan.*

Your EAP services explained.

With 35 years of industry experience, our attorney network is committed to listening to your needs. By calling your EAP, you can expect a free legal consultation with an attorney in your local area.

We're confident that one of our 20,000 nationwide attorneys can help you find an affordable solution.

Provide for Family

Leave no questions to be resolved by the courts and prevent family discord

Protect Children

Name a guardian for your kids to keep them out of Child Protective Services

Prepare for Incapacity

Ensure your pre-determined health care choices are kept

The EAP described herein provides access to legal services offered by a network of provider law firms to EAP members through membership-based participation. Neither the EAP nor its employees directly or indirectly provide legal services, representation or advice.

**For more
information, call**
