

CLC Core Identity Theft Protection Services

Fraud resolution and identity restoration

When identity theft strikes, speed matters. With CLC's Core Identity Theft Protection services, members have access to our team of Fraud Resolution Specialists (FRS) and Assisted Restoration Services. Joining the CLC family ensures that members don't have to manage personal information safety on their own.

Assisted Restoration Services

- ✓ One (1) free initial Fraud Resolution Specialist (FRS) consultation up to sixty (60) minutes
- ✓ Free Emergency Response Kit (a DIY identity theft protection guide) upon request
- ✓ One (1) free initial attorney consultation with a 25% discount from a retained attorney (if legal help is needed)

Free: Data Breach Scan and Report

- ✓ Submit an email address and instantly verify whether it has been associated with a company data breach
- ✓ Review our suggested best practices and preventative steps to ensure any compromised data stays private

Help is here

By contacting CLC's in-house call center, a member can be connected to a Fraud Resolution Specialist (FRS), with assurance that no matter the question, they will get an answer. A FRS can advise and assist with the following:

- Education on how ID theft occurs and how to start protective measures
- Guidance to identity/credit restoration with creditors/collection agencies
- How to contact the major credit bureaus (Experian, TransUnion, Equifax)
- Direction to obtaining free credit report copies and how to assess them
- Recommendations for which local and federal authorities to notify

Member's Upgrade: Full Restoration Services for Proven ID Theft Victims

Our FRS team fixes the identity theft problem on a CLC member's behalf. Through a Limited Power of Attorney, we can help reduce many of the timely and costly steps required to professionally restore an identity. We've saved members tens of thousands of dollars! **Fixed-fee \$850 for one (1) year.**
