

Employee Assistance Program

Family Law Benefits

**We're talking
about significant
legal fee savings.**

Your EAP services explained.

With 35 years of industry experience, our attorney network is committed to listening to your needs. By calling your EAP, you can expect a free legal consultation with an attorney in your local area.

Eliminate all stressing and guessing with one of our 20,000 nationwide attorneys!

Divorce

Make smart long-term decisions that aren't rushed or taken lightly

Child/Spousal Support

Outline a fair plan with the expert advice from an impartial third-party

Guardianship/Adoption

Ensure paperwork and procedures are kept stress-free

The EAP described herein provides access to legal services offered by a network of provider law firms to EAP members through membership-based participation. Neither the EAP nor its employees directly or indirectly provide legal services, representation or advice.

**For more
information, call**

Services Include:

A free family law consultation with a pre-vetted attorney

A 25% discount from the hourly/flat rate fee of a retained attorney
