Re: Girl Scout Donation

I met with Girl Scout Troop #2244 in regard to their request to build a gaga pit at Sacandaga's playground. After discussing with the troop and also with our architects, we have determined that the best course of action would be for the troop to donate the funds to purchase the materials for the pit, which will be installed by district staff over the summer. The troop will assist in the assembly of the pit with tasks that have been deemed safe by our maintenance staff.

Attached is the proposal from the troop for this project. They will be covering all costs except for the rubber mat flooring, which the district will purchase out of the general fund. Also attached is a resolution for board approval for the district to accept this donation for this purpose.

Please let me know if you have any questions.

Girl Scout Troop 2244 Bronze Award Proposal: Gaga Pit for Sacandaga Playground

About Troop 2244:

12 active 4th Graders make up Troop 2244. These Junior Scouts have been an active troop since 2018. Troop Leaders are Amanda Hodder, Gretchen Zebrowski, Dyana Warnock. The Bronze Award is a large community project that the girls must plan and execute (including assisting in the construction). After conversations and research into potential projects, our troop would like to build a gaga pit for the Sacandaga Elementary school playground.

Time Frame:

Girl Scouts will assist in the build this over the summer of 2023 while school is out of session.

Monetary Donation:

The troop is prepared to donate \$4,500 toward the purchase of the Sacandaga Playground gaga pit materials. Please see attached estimate, this donation would cover the cost of materials and shipping, less the rubber flooring.

Potential vendor:

Coach Cliff's Gaga Ball Pits, LLC www.gagaballpits.com

Phone: 877 266-8426

95 Noll Street Waukegan, IL 60085
