Please Note the Following Regarding Debarment Option A or Debarment Option B:

Although we have included a list of the FSMC's that have not been debarred (with an asterisk) as a part of our annual FSMC web posting, it was based on our office checking on the Excluded Parties List System (EPLS) website as of February 2023. However, since by the time you go out to bid or extend, circumstances regarding the FSMC's debarment status may have changed, it is your responsibility to check the list before submitting your contract or extension to SED for approval.

Therefore, either:

The SFA must look on the EPLS website and complete the Debarment Option A form to be submitted with the Contract/ Extension packet.

OR

The FSMC must complete the Debarment Option B form to be submitted with the Contract/Extension packet.

Please note: only the Debarment Option A or Debarment Option B form needs to be submitted with your contract or extension - do not submit both forms.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person in which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
