Susan Swartz
Superintendent of Schools
Scotia Glenville Central School District
900 Preddice Parkway Scotia, NY 12302

Dear Mrs. Swartz,

Please accept my resignation from my position as a special education teacher effective August 31, 2023.

I have enjoyed the role teaching in the Developmental Skills class during my tenure in the district. The students I have had the opportunity to serve have made my time here all the more rewarding.

Please let me know if you need any additional information.

Sincerely,

Sarah Tibbetts
