Re: Stop Arm Camera Resolution

The Town of Glenville recently passed a resolution for their "Stop Arm" Camera program, which amended the Town Code and allows for the imposing of monetary liabilities when violators fail to stop for the flashing red lights and stop arms on our school buses.

The District has already installed the necessary camera equipment on our buses to enable us to participate in this program.

Attached is a resolution for the Board of Education to approve our participation with the Town of Glenville in this program. We are currently working with the Village of Scotia on a similar program with them and will bring that forward for board approval once the Village has amended their local law as the Town of Glenville has done.

Please let me know if you have any questions.

RESOLUTION (School Bus Stop Arm Enforcement Program)

WHEREAS, the Scotia-Glenville Central School District ("District") desires to participate in the Town of Glenville's School Bus Stop Arm Enforcement Program (hereinafter the "Stop Arm Program"); and,

WHEREAS, the Stop Arm Program is authorized under New York State Vehicle and Traffic Law ("NYS VTL") § 1174-a; and,

WHEREAS, the District's buses are all outfitted with the required cameras to implement this program; and,

The District's Board of Education approves the participation in this program.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1)

program.

2)	The District's Board of Education authorizes the Superintendent of Schools to
take any actio	ns necessary to work with the Town of Glenville on the implementation of this
