Subject: Resignation

Good evening,

I am writing to inform you of my resignation from the Scotia-Glenville City School District.

Although I have truly enjoyed my time working in both the High School and Middle School respectfully over the past year, I accepted a full time teaching position earlier today in another district.

While I am sure that this email address will not exist for much longer, I can be reached at my personal email (grahamwetzel@gmail.com) if you ever need to reach me.

Thank you,

-Graham Wetzel
