

Scotia-Glenville Central School District  
Scotia, NY 12302

Request to Establish a Student Club

Name of Organization Future Engineers Club

Faculty Advisor Jeff Bower

Purpose/Objective: Describe why this club is being formed.

This club was formed because of a large portion of the student body who wanted to participate in activities and experiments relating to engineering.

Benefit: Describe how the students/district will benefit from this club.

The primary benefit of the club for students, in addition to being able to explore engineering in different ways in an inviting environment, is a visit to the New York Hall of Science, and other places relating to engineering. The district and community will benefit from multiple fundraisers held.

Leadership: Describe how this club will be organized, how it will be managed and whether the officers will be elected or appointed.

The club will be managed through Mr. Bower and the officials of the club. Mr. (Owen Letterman) and Adrien Roman would act as co-presidents, with Aiden Percintri as the vice president, and elections for the role of secretary and treasurers. In future years, more elections will be held to determine officials.

Fundraising: Will this club raise funds? Yes  No  Not Sure

If yes, describe typical fundraising activities and who will be involved.

\* See if restaurants will let us do fundraisers Chipotle, Panera, Five Guys, etc.  
o raffles  
o events involving students and activities

Use of Funds: Describe how these funds will be used to benefit the students.

The funds raised will help students by financing money for our trip to the New York Hall of Science, and covering any expenses for materials for the activities/experiments.

Financial Dependence: Will this club require any financial assistance or facilities and equipment? Yes  No

If yes, describe the assistance needed.

For some of the experiments, we may need to use space in a gym or lab room, and possibly some lab equipment. No financial assistance will be needed however.
