Re: Auctions International Bid Results

Attached please find the bid results for the two buses and other miscellaneous items we put up for auction.

The district received a total of \$34,541 for all of these items. We will use the \$32,700 from the sale of the buses to offset debt service and will put the rest of the proceeds into the revenue account. The proceeds from the buses far exceeds what we would have been offered if we had received a trade in allowance from the bus company. The last trade in offer from 2021 was only \$1500 per bus.

Please let me know if you have any questions.
