# School Counseling Services

The Middle School Counseling Office is focused on improving school climate and increasing academic performance.

Each student in the middle school has a school counselor who serves as a student advocate to promote and enhance student success.

## For Students:

You may see your counselor to assist with a variety of concerns and problems, including:

- Academic planning.
- Overcoming obstacles and issues related to your classes, peers, and/or family.
- Planning for your future.
- Supportive counseling.

## For Parents:

Parents are free to contact the counseling office at any time for a meeting if you have academic, social, or personal concerns about your child.

The counseling office will help to arrange parent-teacher conferences, counseling services, as well as outside referrals for intervention.

## How to see a School Counselor:

Students can see the school counselor in any of the following ways:

- Self-referral.
- Request of the school counselor.
- Parent referral.
- Administrative referral.
- Teacher or staff referral.
- Referral by friend(s).
