Superintendent Susan Swartz
Scotia-Glenville Central School District
900 Preddice Parkway
Scotia, NY 12302

Dear Superintendent Swartz,

Please accept this letter as my formal resignation from my 6th grade Special Education position to accept the 6th grade General Education teacher position at the middle school. This was not an easy decision for me as my heart has always been in Special Education. However, I will now have the opportunity to use my knowledge and tools I have acquired to reach and impact more students.

Sincerely,

Sarah Hunt
