April 4, 2024

Dear Ms. Swartz,

Please accept this letter as an official notification of my retirement. I will be retiring at the beginning of May. My official last working day at Lincoln Elementary will be May 3, 2024.

I have cherished my time at Scotia-Glenville School District for the past 23 years, please know that this decision did not come lightly. As an alumni and a parent of children that attended K-12 in the district words cannot express how Scotia-Glenville has shaped my family.

During my time here, I've been able to work with numerous students, providing not just instruction in all subject areas, but also offering guidance, support and mentorship to my students. I will always think back with my heart and soul on my time as an educator in Scotia-Glenville.

I will be continuing to get my medical and dental insurance through the district. Thank you again for your support. I wish you and the school district the best in the years to come.

Sincerely,

Julie Mancini
