More than 1,000,000 Doctors Nationwide

Most CDPHP plans include a national network.* By seeing an in-network doctor, you pay significantly less than if you see an out-of-network doctor. In addition, all plans include worldwide coverage for emergency care.

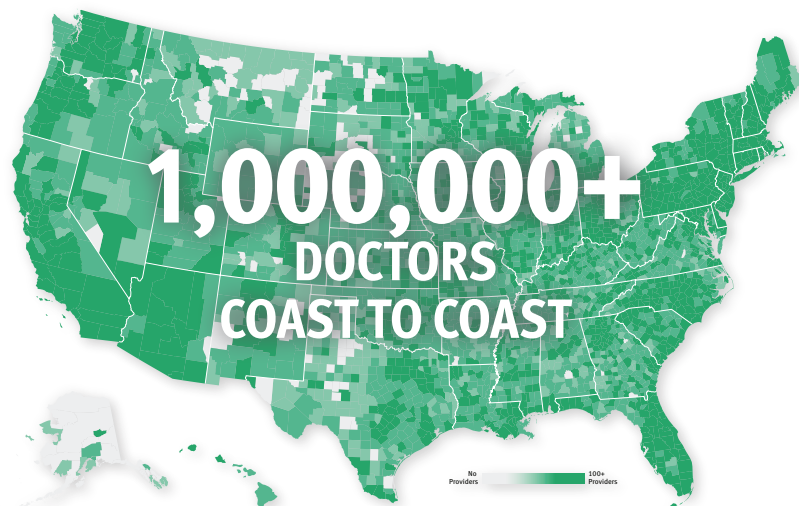

CDPHP makes it easier than ever to locate a doctor with the redesigned online search tool, Find-A-Doc. Visit findadoc.cdphp.com, enter some brief information, and you'll be on your way to finding the doctor or specialty provider you need!

Within Find-A-Doc, you'll have access to an extensive list of preferred locations for radiology, X-ray, laboratory services, and more with no member cost-share or a reduced cost share.

COVERAGE AWAY FROM HOME

No matter which CDPHP plan you're on, you have access to live video doctor visits for physical and mental health with Doctor On Demand. Learn more at cdphp.com/DoctorOnDemand.

* Available for EPO and PPO plans. Not available for HMO plans. Refer to your member materials or call member services at the number on your ID card to determine complete benefits.

Where to go for care

NEED AN APPOINTMENT?

In a non-emergency situation, it's important to start with your primary care doctor. Your physician knows your health status best and can treat many health issues.

When choosing a new primary care doctor, consider one who participates in the CDPHP Enhanced Primary Care program. These doctors are known for providing better, more cost-effective care. Look for the Enhanced Primary Care icon when searching on Find-A-Doc. 

YOUR DOCTOR ISN'T AVAILABLE?

You have access to live video doctor visits 24/7 through your mobile device or computer. Learn more about virtual options for physical health at cdphp.com/doctorondemand and view your virtual options for mental health and substance use at cdphp.com/mentalhealth.

MORE URGENT NEED?

If your doctor isn't available, visit an urgent care location before going to the ER. Urgent care has short wait times and is more economical. In fact, **visits to the ER are generally not covered for non-emergency services.**

Many specialists also offer walk-in and urgent care services that would save you time and money compared to a visit to the ER.

Dependable Rx coverage

Prescription medications can have a big impact on your health and your wallet. That's why it's important to know how your prescription drug coverage works. CDPHP takes an innovative approach to pharmacy coverage, helping you find the lowest cost medication at the location offering the best price.

Log in to member.cdphp.com to view all pharmacy benefit coverage details.

Search for Medication Savings

Download the **CDPHP ConnectRx, On the Go** app to view your medications, search for cost saving alternatives, change your pharmacy, and more. Text RX to **237471**, or scan the QR code to get started today.

Preferred Pharmacy Network

Preferred Pharmacy Network Members have access to the CDPHP Preferred Rx Network, which allows you to fill prescriptions for a lower cost at many chain store pharmacies and independents. Learn more at cdphp.com/PreferredRx.

Prescription Discount Program*

With **Rx for Less**, get many generic drugs for as little as dollar a fill at preferred pharmacies. Visit cdphp.com/less for the list of pharmacies and drugs that are part of the program.

Prescription Mail Order**

Get medications you take on a regular basis delivered to your home at no extra cost from Optum Home Delivery.

Check your member ID card to find out which formulary (list of covered drugs) is available with your plan. The tier assigned to a drug determines how much you'll pay for it. Excluded drugs are covered only by medical exception, which your doctor can apply for.

For more information, visit cdphp.com/RxCorner.

* Rx for Less does not apply to mail order service.

** Specialty pharmacy agents, including injectables and certain drugs used to treat hepatitis C, HIV, multiple sclerosis, and other serious conditions, are not eligible for this program. Get more information about specialty drugs at <https://www.cdphp.com/members/rx-corner/specialty-drugs>. Some of the pharmacy benefits listed may not apply for members who do not have Rx coverage. Check your member contract for details.

The CDPHP® Preferred Rx Network

Members have access to our CDPHP Preferred Rx Network* where you can choose from thousands of preferred network pharmacy locations. These pharmacies have teamed up with CDPHP to keep prescription drug costs affordable.

Drugs dispensed at pharmacies that have chosen not to join the CDPHP Preferred Rx Network will take a 50 percent coinsurance.** While those pharmacies remain in our network, they have not yet agreed to participate in the CDPHP Preferred Rx Network.

CDPHP Preferred Rx Network pharmacies include but are not limited to:

- | | | |
|---------------------------|----------------|-----------------------------------|
| ▶ ConnectRx | ▶ ShopRite | ▶ Stop & Shop |
| ▶ Market 32/Price Chopper | ▶ Walgreens | ▶ Giant Foods |
| ▶ Walmart | ▶ Kinney Drugs | ▶ Food Lion |
| ▶ Hannaford | ▶ RiteAid | ▶ Multiple independent pharmacies |

Currently, all CDPHP Preferred Rx Network locations participate in the Rx for Less program (which offers dozens of medications for as low as a penny a pill), further staving off skyrocketing health care costs.

To switch your pharmacy

Simply call the pharmacy you would like to switch to and let them know you are transferring your prescription there.

Or feel free to bring your prescription bottle to your preferred pharmacy and ask for the prescription to be transferred.

You can check individual pharmacy pricing in real time with the **CDPHP ConnectRx, On the Go app**. Simply download on the App Store or Google Play to view your medication history, compare pricing, locate preferred pharmacies, and more.

** Members in high deductible health plans (HDHP) are required to meet their deductible in full before any cost sharing benefits would apply. If/when the deductible is met, HDHP members will experience a difference in cost share based on preferred/non-preferred Rx network status. Drugs on the CDPHP Preventive Drug List bypass the deductible.*

*** The non-preferred pharmacy coinsurance does not apply to NYSOH standard plans, Healthy NY, Child Health Plus, Essential Plan, Group Medicare, NYSHIP, FEHB plans, some self-funded groups, or groups that have a medical plan with Rx covered in full.*
