Catie:

It is with a heavy heart that I am writing to you today to offer you my official resignation from a full time Speech-Language Pathologist position. This decision is the result of many hours of contemplation and one that did not result easily, as I have grown exceptionally fond of my colleagues and my students, as well as the Scotia-Glenville community at large. However, I feel at this juncture in my personal vs. professional life, it has become necessary for me to be closer to home and more readily available for this next stage on which my children will be embarking.

My last day as a full-time employee will be May 31, 2025. I want to thank you for allowing me the pleasure and honor of working with and for a wonderful group of Individuals, and an incomparable team of professionals. I will truly miss all of you here at SGCSD and will treasure the time, the experiences and the learning opportunities I was awarded.

With thanks and fond regards
