To Susan Swartz

Spring Greetings,

This letter is to inform you of my decision to retire at the end of this school year. After twenty six years serving the district it's time to pursue other interests. Foremost, being " the best version of myself as a Grammy". I have been incredibly blessed to have attended Scotia schools myself and watch with pride as both my girls received their Scotia diplomas. No matter where I go, I will always consider Scotia my home and a Tartan at heart!

With Warmest Regards;  
Cynthia Orlando
