### Essential school services and updates for Scotia-Glenville families

**PARENTSQUARE** Be informed and stay connected with important school news and events with our ParentSquare notification platform. You can set your preferences on how you receive messages and when you want to be contacted. Visit the District Services tab at [ScotiaGlenvilleSchools.org](https://ScotiaGlenvilleSchools.org).

**STOPFINDER.COM** Scotia-Glenville utilizes the Stopfinder app for parents and school transportation to monitor students' bus schedules and arrival times. The app sends push notifications for schedule changes and allows parents to set GeoAlerts for real-time updates on their child's bus location.

**FREE SCHOOL MEALS** All S-G students will be provided with free breakfast and lunch.

### Student mental health counseling during school hours

For students who struggle with issues like trauma, depression and anxiety, Student Empowerment Services at S-G can provide relief. The district's partnership with Saratoga Center for the Family offers a full range of mental health services, prevention education, and victim advocacy in all our school buildings. If you are interested, please inquire with your school counselor or psychologist, and check out the center's website at [Saratogacff.org](http://Saratogacff.org).

### School Closing Information

Any changes to the school day will be communicated through ParentSquare, the district's mass notification system. In the event of an emergency closure, ParentSquare bypasses user preferences and a message will be delivered immediately by email, text, and a voice call. Weather-related messages will also be posted on our website and through local media outlets.

Please do not call the school or district offices on inclement weather days. The telephone lines are needed for emergency communications. If school is canceled, all uses of the building are also canceled on that day and evening, unless otherwise noted or announced.

## Monthly Curriculum Updates

At least once a month, during Board of Education meetings, members are provided with updates on various educational programs at Scotia-Glenville.

Throughout the 2025-26 school year, several areas will be highlighted, which may include written reports or presentations.

For meeting agendas, minutes, and recordings of the meetings, please visit the [ScotiaGlenvilleSchools.org](https://ScotiaGlenvilleSchools.org) Board of Education page.

## Dignity for All Students Act (DASA)

Scotia-Glenville is committed to providing an educational and working environment that promotes respect, dignity and equality for all students, staff and parents.

S-G school policies condemn and prohibit all forms of discrimination, bullying, harassment and hazing (all forms of physical or psychological abuse) in school, on school buses, at school bus pick-up sites and at all school-sponsored activities, programs and events.

The goal of the Dignity for All Students Act (DASA), which took effect on July 1, 2012, is to provide students with a safe, supportive educational environment.

Some of DASA's requirements include establishing anti-harassment and discrimination policies, creating school training programs and including a course in civility, citizenship and character education in the curriculum for every grade level.

S-G students at all grade levels are exposed to the ideas of tolerance, compassion and respect. No form of bullying or harassment will be tolerated in our schools.

The principal and/or the principal's designee at each school is responsible for receiving complaints of bullying, harassment, discrimination or hazing.

School administration will thoroughly investigate all reports of such behavior and will make every effort to protect the confidentiality of the individual making the complaint.

If confirmed, such behavior will result in detention, suspension, or other appropriate consequences.

The principal and at least one staff member at each school building serve as the DASA coordinators.

## What is meant by bullying?

Bullying is a conscious, willful, deliberate act intended to harm another individual. The bully uses power through actions or intimidation to cause pain and/or misery. It can be verbal, physical, electronic and/or relational.

Bullying can take many forms; however, the main types are defined as any gesture or written, verbal or physical act, or any use of electronic communication (a communication

transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone or computer) that takes place on school property, at any school-sponsored function, or on a school bus.

**Verbal bullying:** name calling, insulting remarks, verbal teasing, frightening phone calls, violent threats, extortion, taunting, gossip, spreading rumors, racist slurs, threatening electronic communications, anonymous notes, etc.

**Physical bullying:** poking, slapping, hitting, tripping or causing a fall, choking, kicking, punching, biting, pinching, scratching, spitting, twisting arms or legs, damaging clothes and personal property, threatening gestures, etc.

**Social bullying:** purposely excluding someone from a group, spreading rumors, gossiping, arranging public humiliation, undermining relationships, teasing about clothing, looks, giving dirty looks, aggressive stares, etc.

## Annual Professional Performance Review (APPR) evaluations

All parents and guardians will have the right to obtain the APPR quality ratings and composite effectiveness scores for their child's teacher(s) and principal(s) once the scores are officially available in accordance with state law.

For additional details, please visit the district website or contact Assistant Superintendent for Curriculum and Instruction Rick Arket at (518) 346-3600, ext. 7200.

## Concert Schedules

Concert schedules for 2025-26 are available through the Fine Arts Department at (518) 347-3600 ext. 5529. Concert dates are also included in this calendar.

## Senior Passes Available

Passes are available to residents over age 65 and entitle them to free admission to plays, musicals and home athletic contests (except for basketball games, Section II and invitational events).

The passes may be obtained at the district office during regular weekday office hours. Call (518) 347-3600 ext. 7101 for more information.

## School tax exemptions/reductions

Property owners over age 65 – with annual incomes of \$32,249.99 or less – are entitled to a partial tax exemption.

The Board of Education has also approved a veteran's exemption: a wartime veteran would receive a \$6,000 reduction in his or her assessment; a veteran who served in combat would receive a \$10,000 reduction; and a disabled veteran would receive a \$20,000 reduction.

In addition, the state STAR program continues to reduce tax bills. The program began in 1998.

In Glenville and Scotia, contact your assessor at (518) 688-1200 ext. 115 for more information on these programs and to enroll in the STAR program. The deadline for signing up for exemptions is March 1 of each year.

## NYS STAR Program

The New York State School Tax Relief Program (STAR) applies only to primary residences. There are two programs: one is an older program in which the STAR amount is reduced from a school tax bill in September; the newer program sends STAR rebate checks to homeowners in the fall.

## Voting in school elections

On the third Tuesday of each May, residents from across New York State go to the polls to vote on the following year's school district budget and to elect members of the Board of Education.

In order to vote in school elections, you must:

- ▶ Be 18 years of age
- ▶ Be a citizen of the United States
- ▶ Be a resident of the Scotia-Glenville School District a minimum of the 30 days prior to the election

The school district uses voting information from the Schenectady County Board of Elections. Call (518) 377-2469 to register to vote.

To participate in early voting or to vote by absentee ballot, you need to complete an application, which can not be submitted more than 30 days prior to the election.

They are available at the Scotia-Glenville business office, located at 900 Preddece Parkway (at the end of Lark Street), Scotia. For more information, call (518) 347-3600, ext. 7102.

## For our children's protection

## REMEMBER THE Bus Safety Laws

It is against the law to pass a bus that has its flashing red lights activated. These lights signal that students are boarding or exiting the vehicle. This regulation is strictly enforced. Scotia-Glenville's bus fleet is equipped with cameras that record the license plates of those who violate this law. For a first-time offense, the penalty amounts to \$250.

### A REMINDER TO MOTORISTS

School buses discharging or taking on passengers on school property fall under the same laws as buses on public roads.

### BUS TRANSPORTATION QUESTIONS?

Student busing information is mailed during August to all students. Contact the transportation supervisor at the Transportation Office with any questions, (518) 347-3600 ext. 8901.

## Pesticide Neighbor Notification

The Scotia-Glenville School District is taking an aggressive, yet precautionary, approach to dealing with pests and the use of pesticides in and around its schools.

The development and implementation of the district's integrated pest management (IPM) program is the key in achieving pesticide use reduction while providing effective and economical pest control.

Any public or non-public elementary or secondary school that uses a pesticide product as a last resort to address a pest problem must comply with the Pesticide Neighbor Notification Law (section 409-h of New York State Education Law).

This notice is to inform all neighboring property owners, parents and staff that pesticide products may be used periodically throughout the school year.

Neighboring property owners wishing to receive a 48-hour written advanced notice of an actual pesticide application should contact the Facilities and Operations Department at (518) 347-3600 ext. 8802.

## Districtwide School Safety Plans

The Scotia-Glenville CSD has developed a districtwide School Safety Plan and confidential building-level School Safety Plans for each building as required by New York State Safe Schools Against Violence in Education (S.A.V.E.) Law. This law requires the district to annually provide written information to all students and staff about emergency procedures.

As required, the districtwide School Safety Plan was originally submitted to the New York State Education Department in June 2001. Each confidential building-level Emergency Response Plan was originally submitted to the local police and New York State Police in June 2001.

The districtwide School Safety Team annually reviews the districtwide School Safety Plan. All updates are revised by the Board of Education prior to resubmitting them to the New York State Education Department and the local police and New York State Police respectively. The building-level School Safety Teams annually review the confidential building-level Emergency Response Plans.

The district will provide training throughout the year and will conduct at least 12 fire drills and conduct a districtwide drill to test sheltering plans and/or early dismissal. Tabletop exercises are also conducted to test the building-level team's procedures and ability to respond to various emergency situations.

For more information concerning the districtwide School Safety Plan, please contact the district's Emergency Coordinator, Susan M. Swartz, Superintendent of Schools, at (518) 347-3600 ext. 7101.

Please remember that  
Scotia-Glenville is #576 when completing your  
2024 NYS tax forms.

## Availability of the Scotia-Glenville CSD Asbestos Management Plan

In accordance with the EPA's Asbestos Hazard Emergency Response Act (AHERA) of 1987 (40 CFR Part 763), the Scotia-Glenville Central School District is required to give annual notification stating that the Asbestos Management Plan for each building is available and kept in the main office of each building and in the office of the director of Facilities and Operations.

These records are available for review during normal school business hours. In addition, in accordance with this act, a six-month periodic surveillance is conducted in each building that contains asbestos. Periodic surveillances are conducted in June and December each year.

Before the start of any project, the district will make sure all building occupants are properly notified and all signage will indicate the scope of the project.

For more information, please contact the Facilities and Operations Department at (518) 347-3600 ext. 8802.

## Fire inspection reports

The annual inspections for fire hazards which might endanger the lives of students, teachers and employees at the Scotia-Glenville CSD has been completed. The most recent reports are available at the District Office, 900 Predde Parkway, Scotia, for inspection by all interested persons.

## Scotia-Glenville Athletic Department

### STATEMENT OF PURPOSE

The athletic program at Scotia-Glenville fosters the belief that athletics enhance the education of every student-athlete. The program is designed to provide students with opportunities that challenge them to their individual limits. Through athletic participation, the student athlete will develop the discipline, responsibility, sacrifice, sportsmanship and teamwork necessary to be successful. The athletic program will provide opportunities for students to experience the emotions involved with athletic competition, and a sense of pride in themselves, their team, their school and their community that will last a lifetime. Regardless of their win/loss records, students will act with class on and off the playing areas, always demonstrating the best sportsmanship.

## Online registration to play sports

The S-G Middle School/High School Athletic Department offers the convenience of free online registration.

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our sports programs, and helps us to be more efficient. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

You can use the QR code to get started, or click the link on the Athletics Page of the district website for a step by step guide to register online.

It's a new school year, so you must have an updated physical and submit a new health history form through the Family ID platform. Please note the following start dates for the season for the 2025-26 school year.

As a junior, Lillian Steward shattered the school record in the weight throw by nearly a foot. In January 2025, Lillian was among the chosen indoor track and field athletes participating in a large invitational meet at Springfield College. During this event, she delivered a remarkable throw of 37-11.5 in the weight throw competition, surpassing the prior record of 36-9.25, which was set by Zoe Connor in 2020.

## About Scotia-Glenville interscholastic athletics

Scotia-Glenville provides a comprehensive selection of interscholastic sports, ranging from modified levels to varsity.

As a Class "A" school within Section II of the New York State Public High School Athletic Association, Scotia-Glenville competes in various athletic leagues.

Most teams compete in the Foothills Scholastic Council, while others are members of the Tri-County Indoor Track League, Aqua League, Capital District Women's Lacrosse League, and Section II Ski League.

The Foothills Scholastic Council is comprised of these school district teams: Amsterdam, Broadalbin/Perth, Glens Falls, Gloversville, Hudson Falls, Johnstown, Queensbury, Schuylerville, Scotia-Glenville and South Glens Falls.

Scotia-Glenville has a robust interscholastic program for Tartan athletes, represented by their bagpipe-carrying mascot.

Students have the opportunity to participate in any of the sports listed below.

## Preschool children with disabilities

The district Committee on Preschool Special Education (CPSE) is responsible for ensuring that parents are aware of the opportunities available for evaluation of children ages 3 to 5 who are suspected of having a disability and for services to children with disabilities. The committee consists of representatives from preschool special education agencies, county administrators, parents and the district. All recommendations are made to the Board of Education. More information is available from Pupil Personnel Services, (518) 347-3600 ext. 7411.

## Students with disabilities

All recommendations for placement of students with disabilities are made to the Board of Education by the district Committee on Special Education (CSE). Local programs and local schools are used whenever possible to meet

the child's educational needs. Members of the Committee on Special Education include the director of Pupil Personnel Services, a district psychologist, speech therapists, special education teachers, parent representatives and the school physician when requested. For more information, call Pupil Personnel Services at (518) 346-3600 ext. 7411.

Parents of a child with disabilities who reside in the district and who are interested in serving on the CPSE or the CSE should contact the Pupil Personnel Services Office at (518) 347-3600 ext. 7411.

## Title IX, Section 504 Policy/Records Access

The Scotia-Glenville Central School District hereby advises students, parents, employees and the general public that it offers employment and educational opportunities without regard to sex, race, religion, color, national origin or handicap or disability.

Inquiries regarding this policy may be directed to the Title IX Coordinator/Section 504 Coordinator at (518) 347-3600 ext. 7200.

Also, all parents and other authorized persons have full and complete access to their child's student records under the Family Educational Rights and Privacy Act (FERPA) of 1974 (see below). Contact the administrator at the child's school.

## Family Educational Rights and Privacy Act (FERPA)

The federal Family Educational Rights and Privacy Act (FERPA) allows schools to disclose, without parental consent, certain "directory information" such as a student's name, address, telephone number, date and place of birth, participation in athletics, honors and awards, photograph and dates of attendance, unless parents have advised the district to the contrary.

The primary purpose of "directory information" is to allow Scotia-Glenville to include this type of information in school publications (*district newsletter and school newsletters*) and for publicity of student accomplishments or specific educational programs to the electronic (*district website, Facebook, Instagram, television and radio*) and print (*newspapers*) media.

In practice, Scotia-Glenville has historically released only a student's name, grade, honors, awards and photographs in publications and to the media. Other directory information is not routinely released. A similar procedure regarding the release of information on the district website is in place.

Parents not wishing information about their child to be used in either district publications or in release to the electronic or print media should write a letter to the principal of their child's school. The names and school addresses are listed earlier in this calendar. The signed

and dated letter should state that "directory information" about (name of student) should not be released under FERPA. You do not need to give a reason.

Any questions about this procedure may be directed to the Communications Office, at (518) 347-3600 ext. 7111.

*This letter must be sent to the building principal annually by Oct. 1.*

## Student immunization requirements

All parents of Scotia-Glenville students are reminded of immunization requirements for school entry. NYS Education Law requires that ALL students entering grades Pre-K, K, 1, 3, 5, 7, 9 and 11, as well as ALL new students entering any grade, must have a NYS physical examination. To be valid, the exam can be dated up to ONE YEAR prior to the first day of the school year in which the physical exam is required. The examination should be completed by a NYS Healthcare Provider (MD, DO, NP, PA) or the School Medical Director.

All parents of Scotia-Glenville students are reminded of immunization requirements for school entry. Children must be immunized against diphtheria, tetanus, pertussis, polio, varicella (*chicken pox*), measles, mumps, rubella and hepatitis B. A record of immunizations, signed by a health care provider, is required for registration.

All dates listed in this calendar are subject to change. We recommend calling ahead to confirm an event or visiting the calendar on our website, [ScotiaGlenvilleSchools.org](http://ScotiaGlenvilleSchools.org), for the latest updates.
