

Welcome to **Team Onair** !

Hello members of **Team Onair**! Yup, you are thinking, what is ONAIR? In keeping with the Scottish traditions of our community, Onair is Scottish for Honor/Dignity/Strength.

This will be a very exciting year for you- your first year in Middle School! Your team of teachers is here to make the transition to the Middle School run smoothly. We will help you with all of those “Middle School Firsts”: changing classes, locker combinations, reading your schedule and getting around a new building. We are getting excited for a brand new school year and we can’t wait to meet you!

We believe these supplies are necessary for your child to be successful. Please keep this list handy throughout the summer so that as these items go on sale, you can maximize your savings! Please **do not** label the items with class names in advance. We will do this together, as a team in the fall. (However, you may put your own name on them, of course!) Please remember that some of these supplies will need to be replenished throughout the year. This is our suggested supply list:

As your child's teachers this year, we would like to get to know your child as quickly as possible. We are aware of his/her academic abilities and past school performance, but there is so much more to the whole child that we want to learn, so we hope you will take the opportunity now to tell us about your son/daughter.

Please share with us anything you'd like us to know about your sixth grader. We look forward to hearing from you. Thank you!
