RE: Senior Citizen Aged Exemption

Municipalities have the option to adopt new eligibility levels for aged exemptions annually. A public hearing on this topic is required in February if the Board of Education is interested in increasing the present exemption levels which would need to be in place by March 1, 2026.

For the last eleven years in February, the Board of Education adopted an increase in the sliding scale for aged exemptions increasing each increment by \$500.00 each year. A copy of the resolution from last year is attached, as well as a draft resolution for this year. In addition, I have attached the eligibility levels used by the Town and the County (which have not changed in several years). Senior citizens have until March 1 to apply/re-apply for the exemption. Although we do not yet have final numbers, the preliminary number of qualified aged exemptions is relatively the same as last year (approximately 200).

I would like to place this item on the January 26, 2026, Board agenda for discussion. This will allow us to plan for the public hearing on February 9, 2026. Thank you for your attention to this matter.

RE: State Aid Analysis Budget 2025-26

DATE: January 22, 2026

Attached please a summary of the first state aid output report for 2025/26. Overall, the district state aid projects to be slightly favorable at \$45,765 or .18%. As depicted on the attached chart, there were significant increases in the following categories:

- High Cost Excess Cost (increased special ed services); and
- BOCES (higher than anticipated expenses primarily in Occupational Ed and Computer Service Management).

These increases were offset by a significant reduction in Transportation (which had a large increase in the prior year due to contracted transportation runs for special ed which were reabsorbed in house in 24/25).

Please let me know if you have questions or require additional information. As previously discussed, we will share this information with the Board of Education at the January 26th meeting.

SUBJECT: Second Fiscal Projection 2025-2026
DATE: January 21, 2026

I have completed the second fiscal projection for the year ending June 30, 2026, with the supporting Revenue and Budget Status reports and the Summary Variance Analysis and Fund Balance Projection report. **This fiscal projection reflects 6 months of actual expenditures and a 6-month projection.**

The projection for operating surplus is **\$2,469,672 compared to \$2,148,090** at this time last year, an increase of \$321,582. The difference is attributable to the Special Ed budget which is projecting a savings of \$622,000 compared to a projected shortfall of \$7,800 at this time a year ago, offsetting increased costs due to LOA/retirement in the district office. Revenue projections are favorable at \$400,000, like last year at this time where we projected \$410,000 in favorable activity. We anticipate favorable charges for services based on recent years' Health and Welfare billings. Interest Income should be on budget as we projected rate reductions to 3% and we currently are at 3.4% after being at 3.7% for most of the first half of the fiscal year (three rate reductions so far this year).

Expenses are favorable at \$2,070,226 (3.10%) and **Revenue** (Source of funds) is favorable at \$399,446 (0.60%). We finished 2024-25 with favorable expenses of \$2,045,000 (3.10%) and favorable Revenue of \$1,196,000 (1.81%).

Expenditure savings are primarily generated in Instructional Costs (1,295,000, 3.7%), Employee Benefits (\$527,000, 3%), Transportation (\$110,000, 4%) and Building and Grounds (\$118,000, 3%). Federal grant subsidies contribute \$800,000 of the favorable variance, health insurance \$180,000 and Pension costs, \$219,000.

Special Education is favorable at \$622,000 due to grant subsidies (\$437,000) and staff turnover.

The undesignated fund balance is projected to be \$3,415,746 compared to the \$1,137,873 at 6/30/25. We are allowed by SED to have 4% or \$2,660,548. The district utilized \$4,358,558 to balance the 25/26 budget of which \$4,143,558 was derived from surplus and \$215,000 from reserves. Attachment F shows that in order to appropriate fund balance in 26/27 at the same level as 25/26 (and in lieu of a larger increase to the tax levy), an additional \$727,812 in expense savings/favorable revenue needs to be recognized before year end.

I have attached reports as follows for Board of Education Review:

- Summary of Revenue and Expenses by category vs. budget (A)
- Projected Expenditures and Encumbrances by department and category vs adopted and amended budget (B)
- Revenue Status Report (C)
- Revenue and Expense Reports displaying ytd activity vs original and amended budget (D and E)
- Fund Balance Projection Reflecting Appropriated Fund Balance at Current Year Level for Next Fiscal Year (F)

I will have the above reports and narrative ready for the board meeting on 01/26/2026. Please let me know if you have any questions or require additional information.

Scotia-Glenville Central School District

TO: Susan Swartz, Superintendent of Schools
FROM: Andrew Giaquinto, School Business Manager 
DATE: January 20, 2026
RE: Resolution Appropriating Tax Cert Reserve Funds for 2024 and 2025 Tax Settlement

On January 7, 2026, the Supreme Court of the State of New York issued a Stipulation and Order of Settlement in the Matter of Silar, LLC against the Board of Assessment Review and the Assessor of the Town of Glenville. The matter pertained to the assessed value of the property designated as SBL #30.-1-11 and owned by Silar, LLC c/o Entegris, Inc.

The District has been ordered to refund excess School District taxes paid on account of the reductions in the 2025 assessed value of the property located in our district. There was no reduction granted for the 2024 assessed value. The refund amounts to \$6,538.44. The General Fund appropriation line currently has a balance of \$13,534.33 so we will not need to transfer funds from the tax cert reserve at this time. The district carried \$29,250.61 in the reserve for this settlement. The reserve will be adjusted at year end to ensure that the amount in the reserve will be sufficient to cover the pending tax cert proceedings in play at that time.

The resolution, the Stipulation & Order of Settlement, and a spreadsheet reflecting the details of the settlement are attached.

I would like to place this item on the January 26, 2026, Board agenda. This will allow us to make the refund in a timely manner. Thank you for your attention to this matter.

RE: Approval of the Shared Services Agreement with Duanesburg Central School District

Attached please find the Shared Services Agreement between Scotia-Glenville CSD and Duanesburg CSD for student transportation. New York State Education Law and General Municipal Law authorize this type of shared service. This route is for a student who was placed in foster care while residing in Scotia. Scotia is providing the bus and driver for the morning route and Duanesburg is providing the bus and driver for the afternoon route.

Scotia is the District of Origin for the foster student associated with this bus route. Duanesburg is the District of Attendance and is required to provide the transportation for the student. Since Duanesburg does not have the resources to accommodate the morning route, Scotia will do so for the duration of the school year. Duanesburg will reimburse Scotia for the associated cost at a rate of \$112.18 per day (2 hours of driver salary includes pre and post trip time and the cost of fuel associated with the run). This agreement has been approved by the school attorney.

I respectfully request that this be included on the agenda for the January 26 Board of Education meeting. Thank you.

Re: Interim Director of Facilities

With the upcoming retirements of both Peter Zwack, Head General Mechanic/Supervisor and Dennis Cooper, Senior Maintenance Mechanic/Supervisor at the end of February 2026, the supervisory duties of the building and grounds departments must continue for the day-to-day operations of the department.

There are no current employees who have the experience or civil service requirements to serve as supervisors at this time. For the safe and efficient operations of the school district to continue, there is a critical need for an experienced person to step into the role.

Mr. Joseph Mayo has the required experience, having served as Director of Facilities (see attached resume) in both the Mohonasen Central School District and the Shenendehowa School District. He retired from Mohonasen after 16 years of combined school district experience. In addition, he recently filled in as Interim Director of Facilities at Voorheesville Central District, while they conducted a search for a permanent Director.

The turnover savings and elimination of supervisory stipends for the two retirements will cover the anticipated costs for the interim position.

DIRECTOR OF FACILITIES - INTERIM AGREEMENT 2026

AN INTERIM DIRECTOR OF FACILITIES AGREEMENT made this January 26, 2026 by and between the Board of Education of the Scotia-Glenville Central School District and Joseph Mayo.

WHEREAS, the Board of Education of the Scotia-Glenville Central School District (hereinafter "the Board" or "the District") hired Mr. Joseph Mayo (hereinafter "Mr. Mayo") as an Interim Director of Facilities for the School District during the period of February 1, 2026 through June 30, 2026; and

WHEREAS, Mr. Mayo is agreeable to such an arrangement;

NOW, THEREFORE in consideration of the mutual covenants and promises herein contained, it is agreed as follows:

1. The Board and Mr. Mayo agree that, pursuant to a resolution of the Board, Mr. Mayo shall be employed by the Board as an Interim Director of Facilities effective during the time period from February 10, 2026 through June 30, 2026 on a schedule mutually established between the Superintendent of Schools and Mr. Mayo, unless sooner terminated in accordance with paragraph "6", below, or further extended by mutual agreement between the parties.
2. In consideration of his consultant duties providing support for the ongoing operations of the school district, Mr. Mayo will be paid \$55 per hour for his services. Payment shall be for hours/days worked only (*e.g.*, there are no paid holidays).
3. In consideration of his consultant duties providing support during the transition period, Mr. Mayo may work with the two Buildings and Grounds Supervisors and will be paid \$55 per hour for work during the period of February 1- 28, 2026, scheduled as needed.
4. The Board will pay Mr. Mayo the IRS rate for mileage incurred in the course of his duties when using his personal vehicle (excluding commuting expenses), in addition to his hourly rate set forth in paragraph "2", above.
5. The District shall be responsible for withholding taxes and social security payments from payments made to Mr. Mayo. He shall not be entitled to any other fringe benefits, including but not limited to any leave, insurance, pension, or retirement contributions.
6. Either party may terminate this agreement upon thirty (30) days written notice to the other.

5152.2 EDUCATION OF HOMELESS CHILDREN

IDENTIFICATION OF HOMELESS STUDENTS

Under the McKinney-Vento Act, it is the obligation of all districts to affirmatively identify all homeless students. Therefore, it is the policy of this local educational agency ("LEA") to determine whether there are homeless students within the LEA by using an enrollment/residency questionnaire that asks the nighttime residence of all newly enrolled students as well as when a student's address changes. It is understood that not all homeless students can be identified through social service agencies or shelters as the homeless student may be sharing the housing of other persons, such as family or friends, due to loss of housing, economic hardship, or other similar reason. It is for this reason, the LEA will have an enrollment form/residency questionnaire that asks for a description of the current living arrangements of the child or youth in order to determine whether the child or youth meets the definition of a homeless child under the McKinney-Vento Homeless Education Assistance Act (42 USC § 11434a[2]) ("McKinney-Vento") and New York Education Law §3209(1)(a). The use of an enrollment form/residency questionnaire is a requirement of all Title I schools (see "Coordination with Title I") A sample enrollment form/residency questionnaire may be found at the following website: <https://nche.ed.gov/determining-eligibility/>

This LEA will also contact our local department of social services (http://www.health.state.ny.us/health_care/medicaid/ldss.htm), the local runaway and homeless youth shelter (<https://ocfs.ny.gov/main/Youth/rhy/>) and any other shelters located in the LEA.

DEFINITION OF HOMELESS CHILD AND UNACCOMPANIED YOUTH

***Please note that "LEA" and "school district" are used interchangeably throughout this sample policy.**

Pursuant to McKinney-Vento 42 USC §11434a[2], Education Law §3209(1)(a), and 8 NYCRR §100.2(x)(1)(i) a homeless child is defined as:

- a child who lacks a fixed, regular, and adequate nighttime residence, including a child or youth who is:
 - sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as "doubled-up");
 - living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
 - abandoned in hospitals;
 - awaiting foster care placement; or
 - a migratory child who qualifies as homeless because the migratory child is living in circumstances described above; or
 - an unaccompanied youth, which includes a homeless child or youth not in the physical custody of a parent or guardian but does not include a child or youth residing with someone other than a parent or legal guardian for the sole reason of taking advantage of the district schools.
- a child or youth who has a primary nighttime location that is:
 - a supervised publicly or privately operated shelter designed to provide temporary living accommodations including, but not limited to, shelters

- operated or approved by the state or local department of social services, and residential programs for runaway and homeless youth; or
- a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings, including a child or youth who is living in a car, park, public space, abandoned building, substandard housing, bus or train stations or similar setting.

An unaccompanied youth is defined as a homeless youth who is not in the physical custody of a parent or guardian.

42 USC § 11434a(6); 8 NYCRR §100.2(x)(1)(vi).

DUTIES OF THE MANDATED LOCAL LIAISON FOR HOMELESS CHILDREN AND YOUTH

Every LEA, regardless of whether it receives a McKinney-Vento subgrant, is required to designate a local liaison for homeless children and youth ("McKinney-Vento liaison"). The McKinney-Vento liaison at this LEA serves as one of the primary contacts between homeless families and school staff, district personnel, shelter workers, and other service providers. The McKinney-Vento liaison coordinates services to ensure that homeless children and youth enroll in school and have the opportunity to succeed academically.

The District's McKinney-Vento liaison must ensure that:

- Homeless children and youth are identified by school personnel and through coordination activities with other entities and agencies;
- Homeless students enroll in, and have full and equal opportunity to succeed in, the schools of the LEA;
- Homeless children and youth and families receive educational services for which they are eligible, including Head Start, Even Start, early intervention services, and preschool programs administered by the LEA, and referrals to health, mental health, dental, and other appropriate services;
- Parents or guardians of homeless children and youth are informed of educational and related opportunities available to a child, and are provided with meaningful opportunities to participate in the education of said children;
- Parents and guardians and unaccompanied youth are fully informed of all transportation services, including transportation to and from the school district of origin, and are assisted in accessing transportation services;
- Disputes regarding school selection, enrollment and/or transportation are mediated in accordance with the requirements of McKinney-Vento and applicable provisions of the Education Law and Regulations of the Commissioner of Education;
- Assistance in commencing an appeal pursuant to Education Law 310 of a final determination regarding enrollment, school selection and/or transportation is provided to the homeless child's or youth's parent or guardian or the unaccompanied youth in accordance with the provisions of 8 NYCRR 100.2(x)(7)(iii);
- Public notice of the educational rights of homeless students is posted in locations where such students receive services, such as schools, shelters, public libraries, and soup kitchens in a manner and form understandable to the parents and guardians of students in temporary housing, and unaccompanied youth;
- A record is maintained of all appeals of enrollment, school selection and transportation;

- School personnel providing services to students in temporary housing receive professional development and other support;

Unaccompanied youths—

- Are enrolled in school;
- Have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth, including receiving credit for full or partial coursework earned in a prior school pursuant to Commissioner's regulation; and
- Are informed of status as independent students under section 480 of the Higher Education Act of 1965 (20 U.S.C. 1087vv) and that the youths may obtain assistance from the District's McKinney-Vento liaison to receive verification of such status for purposes of the Free Application for Federal Student Aid described in section 483 of such Act (20 U.S.C. 1090).
- School personnel, service providers and advocates working with homeless families and unaccompanied youths are informed of the duties of the McKinney-Vento liaison.

42 USC §11432(g)(6)(A); 8 NYCRR §100.2(x)(7)(iii).

SCHOOL OF ORIGIN

- The school of origin means:
- The public school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool or charter school;
- The designated receiving school at the next grade level for all feeder schools for a student in temporary housing who completes the final grade level served by the school of origin; and
- The public school or preschool in which such child would have been entitled or eligible to attend based on such child's last residence before the circumstances arose which caused such child to become homeless if the child becomes homeless after such child is eligible to apply, register, or enroll in the public preschool or kindergarten or if the child is living with a school-aged sibling who attends school in the school district of origin.

42 USC § 11432(g)(3)(G); Education Law § 3209(l)(i).

Feeder school means:

- a preschool whose students are entitled to attend a specified elementary school or group of elementary schools upon completion of that preschool; or
- a school whose students are entitled to attend a specified elementary, middle, intermediate, or high school or group of specified elementary, middle, intermediate, or high schools upon completion of the terminal grade of such school; or
- a school that sends its students to a receiving school in a neighboring school district. **NY Education Law § 3209(1)(f). Receiving school means:**
- a school that enrolls students from a specified or group of preschools, elementary schools, middle schools, intermediate schools, or high schools; or
- a school that enrolls students from a feeder school in a neighboring local educational agency.

Preschool means a publicly funded prekindergarten program or a Head Start program administered by the District and/or services under the Individuals with Disabilities Education Act administered by the District. *NY Education Law § 3209(1)(g)*.

THE DESIGNATOR HAS RIGHT TO CHOOSE THE SCHOOL DISTRICT THE HOMELESS CHILD OR YOUTH WILL ATTEND

This LEA understands that the “designator” decides which school district a homeless child or youth will attend. A designator is:

- the parent or person in parental relation (guardian) to a homeless child; or
- the homeless child, together with the McKinney-Vento liaison, in the case of an unaccompanied youth; or
- the director of a residential program for runaway and homeless youth, in consultation with the homeless child, where such homeless child is living in such

NY Education Law § 3209(1)(b); 8 NYCRR § 100.2(x)(1)(ii).

The designator has the right to designate one of the following as the school district within which a homeless child shall be entitled to attend upon instruction:

- **School district of current location** – the public school district within the State of New York in which the hotel, motel, shelter or other temporary housing arrangement of a homeless child, or the residential program for runaway and homeless youth is located;
- **School district of origin** – the public school district within the State of New York in which the homeless child was attending a public school on a tuition-free basis or was entitled to attend when circumstances arose which caused such child to become If the school district of origin is designated, the homeless child is entitled to return to the school building where previously enrolled;
- **School district participating in a regional placement plan** – a regional placement plan is a comprehensive regional approach to the provision of educational placements for homeless children, which must be approved by the Commissioner of It currently exists only in Westchester County.

Please note: students who have designated the district of current location and move to another temporary housing location outside of such district or to a different attendance zone may continue the prior designation to enable the student to remain in the same school building.

42 USC §11432(g)(3)(A); NY Education Law §§ 3209(1)(c)-(e) & (2); 8 NYCRR § 100.2 (x)(1)(iii)-(v) & (2).

DESIGNATION/STAC 202 FORM

This LEA understands it must identify all students who are homeless and that a designation form must be completed for all such students and any other student who claims homelessness.

Designations must be made on STAC 202 forms available at <https://nche.ed.gov/determining-eligibility/>

- The appropriate designator must complete the designation form. All school districts, temporary housing facilities operated or approved by a local social services district, and residential facilities for runaway and homeless youth must make designation forms

available to a homeless child who seeks admission to school or to the parent or person in parental relation who seeks to enroll such child in school.

- Where the homeless child is located in a temporary housing facility operated or approved by a local social services district or a residential facility for runaway and homeless youth, the director of the facility or a person designated by the social services district, must, within two business days of the child's or family's entry into such facilities, assist the designator to ensure that the form is properly completed and assist the child, where necessary, to enroll in the designated school.
- Where a parent or person in parental relation to a child who is neither placed in a temporary housing facility by the local department of social services nor housed in a residential program for runaway homeless youth designates the school district of current location, the school district of current location must forward to the New York State Education Department (the "Department") a completed designation form and a statement of the basis for its determination that the child is a homeless child entitled to attend the schools of the district.

NY Education Law § 3209(2)(d); 8 NYCRR § 100.2(x)(3).

LEA'S DUTIES UPON RECEIPT OF THE DESIGNATION/STAC 202 FORM

Upon identification of a child who is homeless and/or receipt of a completed designation form, the designated school district must:

- immediately review the designation form to assure that it has been completed and admit the homeless child even if the child or youth is unable to produce records normally required for enrollment, such as previous academic records, medical records, immunization records, proof of residency or other documentation and even if the child or youth has missed application deadlines;
- determine whether the designation made by the designator is consistent with the best interests of the homeless child or youth. In determining the homeless child's best interest, an LEA shall:
 - presume that keeping the homeless child or youth in the school of origin is in the child's or youth's best interest, except when doing so is contrary to the request of the child's parent or guardian, or in the case of an unaccompanied youth, the youth;
 - consider student-centered factors, including but not limited to factors related to the impact of mobility on achievement, education, the health and safety of the homeless child, giving priority to the request of the child's or youth's parent or legal guardian or the youth in the case of an unaccompanied youth;
 - if after considering student-centered factors and conducting a best interest school placement determination, the LEA determines that it is not in the homeless child's best interest to attend the school of origin or the school designated by the designator, the LEA must provide a written explanation of reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information about the right to appeal.
- provide the child with access to all of its programs, activities and services to the same extent as are provided to resident students;

- immediately contact the school district where the child's records are located in order to obtain a copy of such records;
- if the child or youth needs to obtain immunizations or immunization or medical records, the school admitting such child or youth must immediately refer the parent or guardian of the homeless child or youth to the McKinney-Vento liaison who must assist in obtaining necessary immunizations or immunization or medical records;
- forward the STAC 202 form to the Commissioner and the school district of origin, where In all cases, the district must give a copy of the completed STAC 202 to the designator and keep a copy of the STAC 202 form for the LEA's records.

42 USC § 11432(g)(3)(C)&(g)(4); NY Education Law § 3209(2)&(2-a); 8 NYCRR 100.2(x)(3)&(4).

LEA'S DUTIES UPON RECEIPT OF A REQUEST FOR RECORDS

Within five days of receipt of a request for school records, the LEA must forward, in a manner consistent with state and federal law, a complete copy of the homeless child's records, including, but not limited to, proof of age, academic records, evaluations, immunization records, and guardianship papers, if applicable. *NY Education Law § 3209(2)(f); 8 NYCRR § 100.2(x)(5)*

TUITION REIMBURSEMENT

Where either the school district of current location or a school district participating in a regional placement plan is designated as the school district which the homeless child will attend and such homeless child's school district of origin is within New York State, the school district providing instruction will be eligible for reimbursement by the Department for the direct cost of educational services, not otherwise reimbursed under special federal programs, calculated pursuant to regulations of the Commissioner for the period of time for which such services are provided. The claim for reimbursement must be on the STAC 202 form prescribed by the Commissioner. *NY Education Law § 3209(3)(a)*.

TRANSPORTATION RESPONSIBILITIES

- A social services district is responsible for providing transportation to students in temporary housing, including preschool students and students with disabilities who are eligible for benefits under Social Services Law § 350-j and placed in temporary housing arrangements outside the students' designated districts. Where the social services district requests 7 that the District provide or arrange for transportation for a student in temporary housing in the circumstances above, the District shall provide or arrange for the transportation and directly bill the social services district so that the district will be fully and promptly reimbursed for the cost of the transportation. *NY Education Law § 3209(4)(a)*.
- If the District is the designated school district of attendance, the District shall provide for the transportation of each student in temporary housing who is living in a residential program for runaway and homeless youth, including if such temporary housing is located outside the school district. The costs for transportation for each student in temporary housing who lives in a residential program for runaway youth and homeless youth located outside of the designated school district will be reimbursed by the State Education Department, to the extent funds are provided for such purpose, with the submission of a Runaway and Homeless Youth Act Transportation Program Form. Where the District provides transportation for a student living in a Runaway and Homeless Youth ("RHY") facility, the district will promptly request reimbursement using the Runaway and

Homeless Youth Act Transportation Form, which is available from the Homeless Education Program Office.

- The District will transport any student in temporary housing to the school of origin, including preschools and charter schools, where it is the designated district of attendance and the student in temporary housing is not entitled to receive transportation from the Department of Social Services. NY Education Law § 3209(4)(c); 8 NYCRR § 100.2(x)(6)(iv).
- When the District is designated as the school district of current location for a student in temporary housing and the student does not attend the school of origin, the District will provide transportation on the same basis as it is provided to resident students, unless the local transportation policy represents a barrier to the student's attendance in school. NY Education Law §§ 3209(4)(d) & (6)(b); 8 NYCRR § 100.2(x)(6)(iii).
- If the student in temporary housing designates the District as the school district of attendance, transportation will not exceed 50 miles each way, unless the Commissioner of the State Education Department determines that it is in the best interest of the child. NY Education Law § 3209(4)(c); 8 NYCRR § 100.2(x)(6)(ii).
- Where the District is designated as the school district of attendance and it has recommended the student in temporary housing attend a summer educational program, such district of attendance will provide transportation services to students in temporary housing for summer educational programs if the lack of transportation poses a barrier to the student's participation in the program. NY Education Law § 3209(4)(e); 8 NYCRR § 100.2(x)(6)(v).
- Where the District is designated as the school district of attendance, it will provide transportation services to students in temporary housing for extracurricular or academic activities when:
 - o The student participates in or would like to participate in an extracurricular or academic activity, including an after-school activity, at the school; and
 - o The student meets the eligibility criteria for the activity; and
 - o The lack of transportation poses a barrier to the student's participation in the activity. NY Education Law § 3209(4)(f); 8 NYCRR § 100.2(x)(6)(vi).
- Where the District is designated as the school district of attendance, it will provide transportation as described above for the duration of homelessness, unless the social services district is responsible for providing transportation. After the student becomes permanently housed, the District will provide transportation to the school of origin until the end of the school year and for one additional year if that year constitutes the child's terminal year in the school building. NY Education Law § 3209(4)(i); 8 NYCRR § 100.2(x)(6)(iv).
- Where a student in temporary housing must cross state-lines to attend a school of origin, the District will coordinate with the local educational agency in the neighboring state to provide transportation services when:
 - o The student is temporarily living in New York State and continues to attend school in a neighboring state; or,
 - o The student is temporarily living in a neighboring state and continues to attend school in New York State. NY Education Law §§ 3209(4)(g)-(h).

DISPUTE RESOLUTION PROCESS

Scotia-Glenville CSD has established the following procedures for the prompt resolution of disputes regarding school selection or enrollment of a homeless child or youth:

- Provide a written explanation, including a statement regarding the right to appeal to the homeless child's or youth's parent or guardian or unaccompanied youth, if the school

district declines to either enroll and/or transport such child or youth to the school of origin or a school requested by the parent or guardian. The written explanation will be in a manner and form understandable to such parent, guardian or unaccompanied youth and will include a statement regarding the McKinney-Vento liaison's availability to help the parent, guardian or unaccompanied youth.

- The District will immediately enroll the student in the school in which enrollment is sought by the parent or guardian or unaccompanied youth, provide transportation to the school, and will delay for 30 days the implementation of a final determination to decline to either enroll in and/or transport the homeless child or youth or unaccompanied youth to the school of origin or a school requested by the parent or guardian of a homeless child or youth or unaccompanied youth.
- If the parent or guardian of a homeless child or youth or unaccompanied youth commences an appeal to the Commissioner with a stay application within 30 days of such final determination, the homeless child or youth will be permitted to continue to attend the school enrolled in at the time of the appeal and/or receive transportation to that school until the Commissioner renders a decision on the stay.
- If the Commissioner grants the stay request and issues a stay order, the homeless child or youth or unaccompanied youth can continue attending the school until the Commissioner issues an appeal. However, if the Commissioner denies the stay request, the homeless child or youth or unaccompanied youth can be asked to leave the school immediately.
- If the Commissioner sustains the appeal, the homeless child or youth or unaccompanied youth can continue attending the school at. However, if the Commissioner dismisses the appeal, the homeless child or youth or unaccompanied youth can be asked to leave the school immediately.

42 USC § 11432(g)(3)(E); 8 NYCRR § 100.2(x)(7)(ii); U.S. Department of Education, Education for Homeless Children and Youth Program, Non-Regulatory Guidance (July 2004).

Such efforts must include contacting the local department of social services or OCFS to verify that there are no homeless children or unaccompanied youth in the LEA.
